Peter Owen Ltd. Paperback. Book Condition: New. Paperback. 150 pages. Dimensions: 9.5in. x 7.3in. x 0.5in. Jean Cocteau's models came from a variety of backgrounds. Some were casual pick-ups, others were lovers and friends. Among those represented here are school mates who influenced his sexual development, as well as two of his most famous lovers: the precocious writer Raymond Radiguet and the actor Jean Marais. Cocteau also drew many of his distinguished contemporaries; included here are candid portraits of Picasso, Stravinsky, Nijinsky, Apollinaire, Sarah Bernhardt, Isadora Duncan, and Mistinguett. Highly revealing of Cocteau's search for his own, personal truth, these sensitively drawn and haunting works have made a profound influence on the public's perception of the graphic relations between art and literature. Margaret Crosland, who has previously published a biography of Cocteau, provides an illuminating introduction and a chronology. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
