Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.
(Dr. Kayden Gerlach)

THE OUTLINE OF CONTRACT BRIDGE (PAPERBACK)

Ishi Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Louis Henry Watson was a rapidly rising star in the World of Bridge. At the age of only 29, he had won virtually every major title that existed, playing with partners that included Oswald Jacoby, Howard Schenken and Sam Fry. Watson was ranked the number four bridge player in the world. On St. Valentine s Day, February 14, 1936, enjoying what seemed to be perfect health, after a luncheon, Watson became ill and asked to summon a doctor. Advised to lie down, he was found dead in his bed three hours later. Watson was living on the Upper East Side of Manhattan (where the rich people live) at the time of his death. In 1934, Watson had taken a year off from playing bridge to write books about it. His books are unequalled classics, never exceeded in the years since. Every major bridge player has spent time studying Watson. Watson believed that there was too much emphasis on bidding, and too little attention paid to the play of the hand. Watson felt that more study should be made of the play of the hand and of defensive play. Oswald Jacoby, who had played many times both as the partner and as the opponent of Louis Watson, has said that he had never seen Watson make a technically incorrect play of the hand. Jacoby added that Watson s defensive play was equally perfect. In short, WATSON NEVER MADE A MISTAKE. Imagine that? Born in 1907, the son Louis Thompson Watson, the stock broker, and a relative of Thomas Watson, the Chairman and Founder of International Business Machine Corporation, Louis H. Watson graduated from Columbia University in 1927 and went to work on Wall...
