Outskirts Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Lynda had to learn a lot of things the hard way, though she really did try to live life the right way. Or at least what she believed to be the right way. But God had a lesson for her to learn. He was not to be kept in the religious box she wanted to keep Him in. And He wanted her to love Him no matter what happened in her life. But living in the world we live in made it most challenging by the obstacles set before her. She was just a simple country girl, wanting to live a simple country life. Wanting to live what she thought was a normal life, whatever that is. Instead, God brought her to places that she never dreamed were ever possible for her to go and do. And along the way, life was very difficult, but she escaped many attacks from the enemy. Several women are still in a situation like she was. Others have been severely hurt or killed. Lynda s hope is that others will learn from the mistakes that she made, and also that they will know there is hope to be able to leave and have a better life.
