Brand New Book ***** Print on Demand *****.In January of 2010, the International Center of the National Institute of Justice (NIJ) assembled international experts and practitioners to assess the state of research on international organized crime (IOC). Two recent developments made this an opportune time for a working group to engage in a robust and critical reflection. The first was an expansion of IOC research. Although the number of books, journal articles and reports on IOC have steadily increased in recent years, the ways IOC research has expanded in other ways made this a good time to call such a meeting. For example, IOC research now goes beyond the traditional disciplines of criminology and sociology to include anthropology, economics, political science, history and other academic disciplines. Moreover, scholarly examination of IOC has gone beyond description and has increasingly focused on critical issues, such as how to improve the scientific rigor of IOC research. Last, this research now uses a mixture of methodologies, including historical, experimental, quantitative, qualitative and case study designs and increasingly implements international or comparative research designs to expand the geographical breadth of studies. Dovetailing with this growing interest in IOC research is an accelerating effort to develop new strategies to address the IOC threat in the United States. Although not limited to the U.S. Department of Justice (DOJ), the DOJ s efforts are indicative of how this effort is unfolding. In 2008, DOJ released the Law Enforcement Strategy to Combat International Organized Crime, which outlined steps to revise its efforts to address IOC. The Attorney General also reconvened the Organized Crime Council (AGOCC), an interagency body that coordinates Federal law enforcement activity against organized crime. In reconvening the AGOCC, which had not...
