

Mental Health in a Failed American System: What Every Parent, Family, Caregiver Should Know

Filesize: 8.09 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Hill-Sage Press. Paperback. Condition: New. 132 pages. Dimensions: 8.4in. x 5.4in. x 0.5in. Families of an individual with a mental health diagnosis or special need are often the most frustrated and powerless among us. These individuals experience a host of fears and have concerns regarding diagnoses, what to expect, and how to secure financial support to cover costs. Mental Health In A Failed American System is a step-by-step personal guide that will offer the type of companionship parents, families, and caregivers need to develop knowledge about the mental health system. This brief guide highlights problems such as politics, universal lack of knowledge, and fear of stigma that contribute to poor policies, systemic barriers, and lack of resources. Millions of families identify with feeling alone, uninformed, and confused about the future. Hill cautions all families to dedicate themselves to developing independence and empowerment through self-knowledge. She explains that self-knowledge is not simple rote memorization, but the objective investigation and comparing of information. She guides families to multiple resources and encourages in-depth evaluation of the field itself. Hill discusses the challenges inherent in the mental health system such as political control, ineffective science, and inadequate treatment protocols, state laws, and diagnostic measures. Carefully charting the continuing problems of mental health including the Diagnostic and Statistical Manual of Mental Disorders, she evaluates widespread problems that are becoming burdens to society. Bonus: A bonus chapter of the book offers resources on how to protect children with special needs from bullying within the school system. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
