Lulu Press Inc, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It may be seen as perverse that someone who believes himself to be one of the world s worse travellers should feel compelled to write a book on travel. The task has been undertaken in the knowledge that there are likely to be countless others who share my reluctance to see The Lonely Planet. For them , and the bolder spirits with the opposite attitude, entertainment may be derived from the candid confessions of a neurotic who is aware that the world will laugh at one who considers a walk to the local crossroads , a day out. Friends , with deliberate irony and a superficial knowledge of the Classics , refer to me as Homer , knowing of this aversion to Odysseys. This amusing tale follows this Reluctant Traveller on a recent West Coast, Canadian and U.S. road trip.
