Little, Brown Book Group, United Kingdom, 2008. Paperback. Condition: New. Digital original. Language: English . Brand New Book. This is a book about men and war. Not real conflict but war as it has filtered down to generations of boys and men through toys, comics, games and movies. Harry Pearson belongs to the great battalion of British men who grew up playing with toy soldiers - refigting World War II - and then stopped growing up. Inspired by the photos of the gallant pilot uncles that decorated the wall above his father s model-making table, by Sergeant Hurricane, Action Man and Escape from Colditz, dressed in Clarks commando shoes and with the Airfix Army in support, he battled in the fields and on the beaches, in his head and on the sitting-room floor and across his bedroom ceiling. And thirty years later he still is. ACHTUNG SCHWEINEHUND! is a celebration of those glory days, a boy s own story of the urge to play, to conquer - and to adopt very bad German accents, shouting Donner und Blitzen at every opportunity. This is a tale of obsession, glue and plastic kits. It is the story of one boy s imaginary war and where it led him.
