# FOUR ARGUMENTS FOR THE ELIMINATION OF TELEVISION

William Morrow Paperbacks. Paperback. Book Condition: New. Paperback. 376 pages. A total departure from previous writing about television, this book is the first ever to advocate that the medium is not reformable. Its problems are inherent in the technology itself and are so dangerous -- to personal health and sanity, to the environment, and to democratic processes -- that TV ought to be eliminated forever. Weaving personal experiences through meticulous research, the author ranges widely over aspects of television that...
