

Embrace the Moment: Life After Stroke (Paperback)

Filesize: 1.19 MB

Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Sofia Yundt)

EMBRACE THE MOMENT: LIFE AFTER STROKE (PAPERBACK)**DOWNLOAD**

Dog Ear Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Embrace the Moment is a book about an elementary teacher who had a hemorrhagic stroke at the age of 49 and lived to tell her story. It was August 11,1996 the day Sharon Leitheiser s life came to a screeching halt. The pain in her brain came so fast she didn t feel it coming before her lights went out. She awoke in the hospital after brain surgery and was left with aphasia, a word finding problem resulting from her stroke, and short term memory problems. Embrace the Moment is not only a story about her slow recovery from the stroke and its aftermath of depression, but also a story about her family who was in crisis due to alcoholism and drug dependency. It is a story about spiritual growth and commitment to family and what she learned along the way. Sharon was born and raised in Great Falls, Montana and graduated from Montana State University. She taught for many years in Geraldine, a farming community outside of Great Falls, before she and her family moved to the Seattle, Washington area, where she began teaching again. She retired after her stroke, but did not retire from life and still continues to inspire people with her writings and her story. She believes in making your own dreams come true.
