Reviews

The book is straightforward in go through better to understand. it had been writtern quite flawlessly and valuable. You can expect to like the way the author publish this book.

(Reyes Murphy)

TRANSPLANTED TO BETTER HEALTH (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This inspirational book contains the amazing story of Carole's journey through renal failure and dialysis to kidney transplant and a healthy, active life. The product of over four years of journaling and extensive research into kidney disease and treatment, it's a must read for kidney transplant patients, and those who care for and about them. If you're a kidney patient on the road to a transplant, you'll benefit from reading this gripping personal experience. Family members and friends of kidney patients will find a wealth of information and resources. Medical professionals, especially in the renal community, can experience a patient's innermost thoughts and feelings en route to better health. And, if you're simply interested in medicine and/or transplantation, this book will be an eye-opener for you.
