This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

The subject before us is one that needs stressing in these days. The great majority of our pulpits are silent upon it, and the fact that it has so little place in modern preaching is one of the signs of the times, one of the many evidences that the Apostasy must be near at hand. Concerning the eternal punishment of the wicked there are few, it seems, who realize the vital importance of a ringing testimony to this truth, and fewer still who apprehend the deep seriousness of what is involved in a denial of it. The importance of a clear witness to this doctrine may be seen by noting what a prominent place it holds in the Word; and contrariwise, the seriousness of denying it is evidenced by the fact that such denial is a rejection of God s truth. Arthur Walkington Pink was an English Christian evangelist and Biblical scholar. Born to Christian parents, prior to conversion he migrated into a Theosophical society and quickly rose in prominence. His conversion came from his father s patient admonitions from Scripture. It was Proverbs 14:12, there is a way which seemeth right unto a man, but the end thereof are the ways of death, which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.
