*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

Word Publishing,US, United States, 1997. Paperback. Condition: New. Language: English . Brand New Book. A beginning. An origin. Knowing where you came from says much about where you are going. Perhaps that is why the first book of the Bible is a book of beginnings. God wants us to know from where we came. Learning that will teach us much about the place we are going. This study highlights the themes of sin and its consequences as Lucado brings us back to the beginning of the Bible. This study reminds us that Gods promises are ever present even in difficult times. Each lesson has a Scripture passage, as inspirational reading, questions to answer, space for journaling, and a prayer.
