

Osceola s Cave: Book 1, Discovery

Filesize: 9.43 MB

Reviews

A new eBook with a brand new point of view. It really is written in basic words and not confusing. I discovered this publication from my i and dad recommended this book to find out.

OSCEOLA S CAVE: BOOK 1, DISCOVERY

Outskirts Press, United States, 2009. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Osceola s Cave An overview Genre: Fiction, Graphic adult horror. In book 1, The Discovery, a rogue forester (Paul) purchases a property in citrus county, Florida after discovering a cave on it. Paul has evil intentions, first evidenced when he was in high school and exhibited psychotic behavior. In North Carolina, a young woman (Mary Ann), is given to Eric Rudolph by her father as a love-slave captive. She escapes to Florida. She then goes to work in a shoe store with a goal of exacting revenge on men for the way she had been treated by men. In her first strike against men, Mary Ann travels to High Springs, Georgia; there, she selects a random victim, whom she seduces and then murders as he poses for her at the head of the falls. Paul has a mean, sadistic and twisted temperament. He befriends a pool-shooting, retired fireman (Tony), who is bored and looking for excitement. He finds the excitement on a stream in north Florida, where he and Paul kidnap a couple and rape the woman. Paul and Tony decide to more carefully plan their next adventure, and they waylay two female canoeists on the Santa Fe river. There, they engage in extended torture, rape and murder of the two victims on an island. They destroy any evidence by dismembering and sinking the bodies and moving the victim s canoe downstream to the Suwannee River. The book ends with Paul scheming his next exploits. In book 2, The Cave House, Paul wants to use a cave on his property as his location for future escapades. Through an interconnected series of events he expands his perverted group...
