N.T. WRIGHT AND THE REVOLUTIONARY CROSS: A READER'S GUIDE TO THE DAY THE REVOLUTION BEGAN (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The death of Jesus is the foundation of our faith, but what do we mean when we confess that Christ died for our sins according to the Scripture? N.T. Wright's book *The Day the Revolution Began* offers compelling answers to that question. His book is nothing less than a game changer. Just as Wright's book *Surprised By Hope* changed our view of the end, so this book is changing our view of the cross. This reader's guide offers a clear summary of Wright's interpretation of the cross in the context of both history and the big story told by the Bible. Using this reader's guide prayerfully will open up vistas of the love of God as you see the revolutionary cross with new eyes. Such a renewed vision will stir your thinking, prompt new conversations about the cross, cause your love for Christ to grow, and equip the Church to carry forth her gospel-shaped mission. What people are saying about N.T. Wright and the Revolutionary Cross: In this reader's guide Derek Vreeland leads us through one of Wright's most important works. Providing the necessary background, locating the central themes, and giving the theological history, he unfolds Wright's majestic treatment of the cross of Christ in a way readers can follow quickly. In so doing, this careful student of N.T. Wright has made it possible for the rest of us students to dive more deeply into what God has accomplished in Christ's death on a cross. I highly recommend N.T. Wright and the Revolutionary Cross. -DAVID FITCH, B.R. Lindner Chair of Evangelical Theology, Northern Seminary, author of *Faithful Presence* Like a skilled explorer and...
