It will help you change the way you think and feel about yourself, about others and about the world around. As you begin to feel more positive, more motivated and more confident you'll soon begin to realise that your future is fully in your control. The scientifically-proven techniques of CBT are a powerful force to harness. Written by a leading psychologist, Change Your Life with CBT will deliver these tried and tested tools in an accessible package full of exercises, examples and practical advice and guidance .
