## THE GREATEST FORCE: AND HOW TO USE IT (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If Albert Einstein were alive to watch a Star Wars movie, he would have been thrilled out of his mind because in the movie, The Force that is depicted is exactly as Einstein knew it would be. It is the Force that creates all the other forces in Nature. Einstein would have been able to calculate out the proof that The Force is real and he would even have been able to show us how to use it. But, instead of using the Force for the Atomic bomb, he would have been able to show us how to use The Greatest Force to do good, to save our species and our planet from the Evil that is all around us today and it is an evil far worse than the one perpetrated by The Empire. Einstein was not alive in modern times when the Star Wars franchise has become the single greatest entertainment in history. Einstein died a very frustrated genius who knew he was right, but who could not prove that all of the forces in the universe are really just off-shoots of a single most powerful force that creates the entire universe minute-by-minute, second-by-second. We finally give Professor Einstein his proof of his greatest theory in The Greatest Force. The Four Fundamental Interactions in the universe - The Strong Force, The Weak Force, the Electro-Magnetic Force and Gravity have long been thought to be tributaries of the same river. In The Greatest Force, we explore the fact that this river has been discovered by research performed recently regarding the Entanglements of electrons. They know about each other and therefore represent the first layer of Consciousness in the universe. It is...
