Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. [Clean read edition - full details below] Anissa is traumatized by the most brutal conflict of the 21st Century: the Syrian Civil War. In 2012, Islamists in Homs terrorize a Syrian-Christian community and destroy everything that a young woman holds dear. Narrowly escaping death, Anissa restarts her devastated life as a college student in New York City. She is bewildered and lost, but hopeful for a better life in a new land. Anissa is soon drawn to two powerful individuals: Michael Kassab, the Syrian-American leader working to found the first Mideast Christian state, and Julien Morales, her Columbia University professor who runs a \$20 billion hedge fund. Complicating matters, Michael is still attached to his ex-girlfriend and Julien is the most sought after bachelor in Manhattan (and has hidden demons that even his therapist can t extract). Anissa s heart and her communal ties pull her in different directions, as she seeks hope and renewal in a dark world. Anissa of Syria might be compared to The Kite Runner, Exodus, and The Diary of Anne Frank. NOTE: This is a clean read edition of The Syrian Virgin (i.e., this version has no profanity and just a few, brief scenes of minimally described intimacy without reference to any explicit details or sexual anatomy). Due to war themes, this book is not recommended for readers under 16.
