Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Les Fleurs du Mal par Charles Baudelaire Preface par Henry Frichet Les Fleurs du mal est le titre d un recueil de poemes en vers de Charles Baudelaire, englobant la quasi-totalite de sa production poetique, de 1840 jusqu a sa mort survenue fin aout 1867. Publie le 25 juin 1857, le livre fait scandale et suscite un proces retentissant qui entraine la censure de 6 pieces. Il est reedite, dans des versions differentes, en 1861, 1866 puis 1868. La rehabilitation n intervient qu en 1949. C est l une des oeuvres majeures de la poesie moderne. Ses 163 pieces rompent avec le style convenu, en usage jusqu alors. Elles rajeunissent la structure du vers par l usage regulier d enjambements, de rejets et de contre-rejets. Elles renouvellent la forme rigide du sonnet. Elles utilisent d inedites associations d images, tel l Ange cruel qui fouette des soleils (Le Voyage). Elles melent langage savant et parler quotidien.
