Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Bantam Doubleday Dell Publishing Group Inc, United States, 2003. Paperback. Condition: New. Bantam Trade Pb.. Language: English . Brand New Book. Chiropractic has become America s most popular form of alternative health care, offering lasting relief from pain--and many other health benefits--to more than 25 million patients annually. Yet many people still wonder exactly how chiropractic heals, and even experienced patients may be able to get more from their treatments. In this accessible and fascinating book, Dr. Michael Lenarz illuminates the basic principles of spinal health, showing how the body naturally lets go of stored pain and disease once the flow of vital energy has been restored. He also explains: *Why adjustments keep the communication flowing clearly, quickly, and cleanly *Why the billion-plus nerve pathways carried by the spine can be the key to a wide range of health problems--from arthritis, headaches, and back and neck pain to chronic fatigue and digestive ailments *Why many of the health complaints we associate with aging may in fact be the result of old injuries and therefore treatable *The different techniques of chiropractic, and how to choose the beset chiropractor for you. PLUS--complete chapters on the diet, exercise, and stress-relief programs that will help you achieve a healthy, vibrant, energized, and pain-free lifestyle--the chiropractic way.
