Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a collection of reflections from my blog, Faith Reflections. I have always been a bit suspicious of religious people and the blog is not about religion. For me faith is a living thing. It is a relationship that affects every part of life. I wish it was always like that for me. honestly its not. but its what I want my life to be about. I m on a journey of learning. Learning how to be a husband. Learning how to be a father. Learning how to be a leader Learning how to be a golfer Learning how to live Faith. I really don t have the answers, but I wonder whether it might be worth sharing some of my learning along the journey.
