Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The human spine is responsible for providing support for all the parts of the body and protecting the spinal cord and associated nerves from the damage that can be done during everyday movement. A pamphlet would be an important accessory for each and every biology student who must understand exactly how the human spine works and its many important functions that must be understood in order to pass important examinations and progress onto more difficult topics.
