Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Amazon verified Review: July 2013 Digging through the endless titles of nonfiction memoirs on kindle, somehow, I found a diamond in the rough. The story of these three brothers is 100 engaging, endearing, and honest (formatting errors or not). I couldn't put it down. In fact, I read it in one sitting. It's the kind of book that will shed a little light in a dark room, cracking open the callous areas of your heart. It did mine, anyway. Thanks for sharing your story, Mr. Turley My story which I share with you tells a tragedy that changed my life forever; my journey is one of utter devastation and great highs, a struggle for three young brothers to survive in an unforgiving world. These life-changing events occur in many locations including Montreal (Canada) and Liverpool (England). My tragedy which descended upon my family in December 1957 was closely followed by the British Broadcasting Company and Canadian newspapers and again in 2002 by English and Canadian media. I write this story and hope that nothing like it is ever visited upon another living soul. We all at some stage in our lives become hurt by events that happen all around us, therefore in choosing the title of my story I realize these two words Wounded Souls must live up to their meaning and never be used without justification. My story is fully documented throughout and a Canadian television video link provided free at the end of my journey can be seen adding extra content to the book.
