Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Kids Diary Books age 9-12 Hi, it's Georgie Mills here again. Listen, what would you do if you had the opportunity to be away from home for an entire week? You'd jump at the chance right? Well I did. A whole week away from my parents and more importantly - my annoying sister Sophia. My school had organised a class trip that was to be full of activities and adventure. Not surprisingly, I was the first in line to hand in my consent form. Unfortunately, things didn't go as I had expected them to. For a start, Melanie and Millicent Munchkin came and were more horrible than usual. Then there was the hotel. A crumbling building in the middle of nowhere; it wasn't surprising that talk soon turned to ghosts who roamed the corridors. I was even more freaked out when spooky things started to happen. Are ghosts real or is it just my mind playing tricks on me? There's only one way to find out. The Rubbish Witch Diaries are the magical stories of a young girl, who despite her gift, still has to deal with the daily pressures of bullies, friendship and family. Join Georgie and read how being a young witch isn't as glamorous as it sounds. Witch books for kids just got cool!.
