Guilford Publications, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Buck up. Stop feeling sorry for yourself. Don't ruin everything. When you are anxious, sad, angry, or lonely, do you hear this self-critical voice? What would happen if, instead of fighting difficult emotions, we accepted them? Over his decades of experience as a therapist and mindfulness meditation practitioner, Dr. Christopher Germer has learned a paradoxical lesson: We all want to avoid pain, but letting it in--and responding compassionately to our own imperfections, without judgment or self-blame--are essential steps on the path to healing. This wise and eloquent book illuminates the power of self-compassion and offers creative, scientifically grounded strategies for putting it into action. Free audio downloads of the meditation exercises are available at the author's website: See also *The Mindful Self-Compassion Workbook*, by Kristin Neff and Christopher Germer, which provides step-by-step guidance for building mindful self-compassion skills and applying them to specific life challenges. Association for Behavioral and Cognitive Therapies (ABCT) Self-Help Book of Merit.
