By G. A. Henty

Dover Publications Inc. Paperback. Book Condition: new. BRAND NEW, Wulf the Saxon: A Story of the Norman Conquest, G. A. Henty, G.A. Henty was a 19th century novelist, special correspondent and Imperialist. His best-known works are historical adventures. While most of the 122 books he wrote were for children, he also wrote adult novels, non-fiction such as *The March to Magdala* (1868) and *Those Other Animals* (1891), short stories for the likes of *The Boy's Own Paper* and edited the *Union Jack*, a weekly boys magazine. *Wulf the Saxon* is an action filled story of the Norman conquest. The adventure begins "From one of the side doors of the palace a page, some fifteen or sixteen years of age, ran down the steps in haste. He was evidently a Saxon by his fair hair and fresh complexion, and any observer of the time would have seen that he must, therefore, be in the employment of Earl Harold, the great minister, who had for many years virtually ruled England in the name of its king."

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
