Biblical Psychology (Paperback)

By Daniel G McCrillis

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It has become common knowledge that Christianity in America is in a psychological crisis. The answers to our problems are frequently expressed through external remedies - another addiction program, self-help teaching, ministry adventure, 100 ways to., - while the average state of the inner man (I Tim. 4:8) is starving. From the secular position, we see that more people are being categorized and diagnosed with mental disorders and imbalances. Surprisingly, one-fourth of the New Testament directly or indirectly refers to the mind, making the subject more than relevant. Biblical Psychology brings the human mind out of the shadows and into the forefront of contextual and hermeneutical criticism. Although it is believed that the mind is the most powerful machine in the world, it is impossible to tap into its energy without properly understanding the purposes of its intellectual properties: attention, conscience, emotion, heart, imagination, knowledge, memory, opinions, perception, reason, understanding, and thought. -What is logic? How do I use my logic and reasoning for good? -What is my conscience? How do I keep a good conscience? -What is the purpose of...

Reviews

This ebook is really gripping and fascinating. it had been writtern extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Leopold Hills

Totally among the finest publication I actually have at any time study. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this pdf to discover.
