

How to Handle and Educate Vicious Horses: Together with Hints on the Training and Health of Dogs (Classic Reprint) (Hardback)

By Oscar R Gleason

Forgotten Books, 2018. Hardback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****. Excerpt from How to Handle and Educate Vicious Horses: Together With Hints on the Training and Health of Dogs During the past ten years I have lectured on the subject of horsemanship to not less, than people, in this country and Canada, all of whom, judging from the attention given to what I have had to say, are more or less interested in my origin and history. In response to the many inquiries made of me on this subject, I take pleasure in offering to my numerous friends the following sketch, which it is hoped will also serve as an introduction to those who have not yet seen me - the myriads whom I desire to meet and to benefit by the experience I have had, and which I hope to be able to impart in a manner at once plain and comprehensive.
