The fundraiser-at-sea is off to the perfect start-until murder disrupts the schedule. Reporting to a summons from the ship s security director, Amy is confronted with two dead bodies on deck-one a leader of the charity event, who d spent years helping others, and one an under-the-radar passenger. Knowing the murderer had to be on board, Amy s sure she can wrap this case up in no time, but the more she questions the crew and passengers, the less she seems to uncover. Are the two deaths connected or is she looking for more than one murderer? How did the weapons even get on the ship? What drove someone to kill these seemingly harmless individuals?.
