Chadwick, and Designed, Also, as Additional Material for Any Figured Bass Method The Object Of this work is stated by its title. A few words of explanation seem, however, to be necessary. The brevity of many Of the exercises, and their comparative fewness in some instances, as, for example, in the altered chords, only three or four under a heading - are due to the following reasons. Experience teaches that in cases where a special progression is in question, the learner Often masters his task most satisfactorily, when a few short exercises pointing directly and specifically to the progression in question are transposed a goodly number Of times. If those who have won the mastery in these matters will consider their Own experience, they will find that familiarity with a progression - due to repeated writing, or due, oftentimes, to the correction Of many exercises is the road over which they have passed to this mastery. In the study Of harmony the learner is made acquainted with...
