

Beating the Doctoral Dropout Rate

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

VDM Verlag Apr 2009, 2009. Taschenbuch. Book Condition: Neu. 220x150x12 mm. Neuware - The troubling secret in higher education is that approximately 50% of doctoral students drop out before graduating. It doesn't have to be. Sarah Church became fascinated by the Mock Orals program at St. John's University in New York, which produced a startlingly higher completion rate. From 1991 to 2006, 87.5% of matriculated students graduated. Dr. Church's fascination grew into a study, reported, here, of the components of the program and the reasons for its positive effects on student completion rates. Academic, social, and professional integration for the students at all stages of the degree process is the key to the program's success. Students benefit not only from the rehearsal of their oral defense presentations, but also from the regular gathering of all levels of students, graduates, faculty, and professionals for the rehearsals. Dr. Church offers this to all institutions concerned about increasing their rates of doctoral graduation. 196 pp. Englisch.
