Brand New Book. Excerpt from Pictorial History of the Civil War in the United States of America, Vol. 1 I gladly availed myself of the labors of others with pen and pencil, who kindly permitted me to make use of unpublished materials - such as drawings, photographs, diaries, and letters; and I am Specially indebted to the courtesy of the proprietors of Harper s Weekly and Frank Leslie s Illustrated Newspaper, whose artists accompanied the great armies throughout the Whole struggle, and preserved the lineaments of a thousand Objects which were soon swept away by the storms of war. I was actorded free access to all official reports allowed to be made public; and chie? y from these and the drawings of engineers, the narratives of marches, battles, and sieges Were compiled, with accompanying maps and plans. In the work will be found the portraits of the prominent actors, civil and military, of both parties to the con?ict; also views and plans of battle-grounds; head - quarters of Officers; weapons and...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
