Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It can be very difficult to juggle all your commitments and desires and still keep your relationship light, happy, and meaningful. This feels especially hard if your partnership isn't as shiny and exciting as it used to be. Work, bills, responsibilities, family, all these things add up and can keep us from honoring our partnerships with the attention they deserve. Fortunately, you don't need to sacrifice other areas of your life to make room for your relationship, you can have both if you improve the way you approach your time together. Real-World Relationship is an activity book for couples full of creative and detailed ways to immediately shift the mood of your relationship, your partner, and yourself. The relationship tips are far from theoretical or abstract, these are real things you can do right now, for free, that are specifically designed to: Build a playful atmosphere, get you laughing and having fun together. Connect you with your partner and create opportunities to build trust. Save you time and energy, and maximize the time that you do have together. Impress your partner and grow mutual appreciation. Foster teamwork and co-create memorable experiences. If your relationship needs a boost and you want to know how to be happier at home, this book is for you. If you're seeking novel, creative date ideas, this book has them. If growing together as a couple in fun, low-stress ways is what you're looking for, then this book is what you want. The activities are creative, thoroughly explained, and simple to follow. Try one, you'll smile.
