

The Canon of the Bible (Paperback)

By Samuel Davidson

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Abridged edition. Language: English . Brand New Book ***** Print on Demand *****.The Canon of the Bible is a classic bible study text by Samuel Davidson. The substance of the present work was written toward the close of the year 1875 for the new edition of the Encyclopaedia Britannica. Having been abridged and mutilated, contrary to the author s wishes, before its publication there, he resolved to print it entire. With that view it has undergone repeated revision with enlargement in different parts, and been made as complete as the limits of an essay appeared to allow. As nothing of importance has been knowingly omitted, the writer hopes it will be found a comprehensive summary of all that concerns the formation and history of the Bible canon. The place occupied by it was vacant. No English book reflecting the processes of results of recent criticism, gives an account of the canon in both Testaments.
