Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from **Our Paper Currency: The Most Complete, Accurate and Reliable Instruction Extant in Regard to All the Safeguards Found on Genuine Paper Currency Which Furnish Infallible Information** Having for more than a quarter of a century been engaged in study and in imparting my Instructions on Genuine Currency to thousands of money handlers throughout the United States and Canada, and having been requested by hundreds of my patrons to put into print the facts conveyed by oral instructions, and having recently been urged to do so immediately by many worthy and eminent persons whose good opinion it will ever be a source of joy to know I possess I have at last concluded to do so. In doing so, however, I have intentionally omitted all explanation of the various processes by which genuine currency is made, for the very good reason that such information would merely satisfy an inquisitive curiosity of honest folk, without giving any more complete practical knowledge, while such facts might be hints to a criminal class to better perform their nefarious work, that every good citizen should desire to suppress. Trusting that the principles herein explained will not be perused merely, but will be thoroughly mastered by all who read this volume, to the end that each may do his part toward the suppression of the circulation of counterfeit money, and with confidence that herein all of the reliable safe-guards that have been placed on all issues of paper currency ever placed in circulation by authority of the government have been simplified and made so plain that any one, even a child, can master them. About the Publisher Forgotten Books publishes hundreds of thousands of rare...
