WHAT THE REPUBLICANS PLAN TO DO FOR THE ELDERLY AND POOR (BLANK INSIDE)

Flying Chipmunk Publishing, United States, 2011. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The front and back covers of What the Republicans Plan to do for the Elderly and Poor are similar to a host of Political analysis books. This book contains no words inside just two hundred blank pages (which does make it an excellent book for notes or sketches, or a humorous talking point for your friends), and it is absolutely correct in its conclusions! * * * * The back cover reads: In the wake of the passage of the Patient Protection and Affordable Care Act (called Obama-Care by most of its opponents), the Republican Party has vowed to bring their own version of Health Care reform to a vote in Congress, and to remove Obama-Care from law. They claim their plan to replace the 76-year-old Social Security system with a voucher program would provide coverage through private insurance companies instead of through the government, reducing costs while providing all the coverage our senior citizens need. Similary, the Republican changes to public health care would provide coverage for the America s workers and their families without sacrificing the care they need. * * * * For the first time a comprehensive look at how their plan will impact America s workers, elderly, and poor, is available! After exhaustive research, What the Republicans Plan to do for the Elderly and Poor provides the nitty-gritty details on how the Republicans massive redesign of America s health care system will work to bring affordable Health Care to everyone. This book explains exactly what the Republican overhaul will do for our elderly retirees, current working population, and the poor. * * * * Check out the other books published by...
