CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 208 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. The elegant, self-assured and resourceful, CARMEN DE LA CRUZ receives word that her father is gravely ill. She returns abruptly to the family mansion in Sarasota, Florida. Her father is head of the biggest, richest and most powerful organized crime family in Florida and the entire Caribbean. Powerful forces within the family, and rival Caribbean gangs, watch with anticipation to see who will take over the DE La Cruz Dynasty. Upon the death of her father, Carmen astounds everyone by announcing that she will be the one who will take over and run the family empire. Carmen believes her father was murdered and she begins her own investigation with the help of her driver and loyal family friend Esteban. As she finds out who are the people responsible for her father's death, now she has one thing in mind only, REVENGE. In the meantime, the F. B. I. is conducting its own investigation after the death of Felipe DE La Cruz as they fear things will get bloodier in the Caribbean as every gang leader will want control of this large and profitable territory. There is an agent with great skills in John Romero that will have NO compassion in taking the entire organization down. A clandestine war is instigated as the competing forces within the family, and outside it, jockey for power. They feel that Carmen's ambition will overreach her abilities and bring about her downfall. However, Carmen understands the game a lot better than they all think and is infinitely cunning and intelligent. Playing one powerful enemy against another, she first defeats Sofia, her now widowed stepmother, and then goes after Sofia's lover, the dangerous...
