U.S.A.: Seventh Street Books, 2015. Soft cover. Book Condition: New. 1st Edition. 2015. Advance Reading Copy. First ed. First Printing. Seventh Street Books trade Paperback Original. From the author of "Hammett Unwritten." Set on the Eve of the attack on Pearl Harbor, Sam Sumida, a Japanese American academic, had been thrust into the role of amateur PI, investigating his wife's murder which the LAPD has basically ignored. Grief-stricken and disoriented, he discovers that, inexplicably, he has become unrecognizable to his former acquaintance, but also all signs of his existence, including the murder, have been erased. Things get very weird--after all that. A truly original novel which combines, murder, World War II Japanese Americans, and bizarre fantasy. A clean copy of the Uncorrected Advance Proof--no ugly markings or writing or ugly stuck on stickers. Cover has an cover with an oval with "Uncorrected Advance Reading Copy" in it--this is printed as part of the cover and not obtrusive to the illustrated cover which is the same as the finished book will have. Mint in pictorial wraps.
