IN DEFENSE OF A NATION (PAPERBACK)

WestBow Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. American Christians and patriots know that a battle is brewing. It is a battle for the heart and soul of our nation. Since the election of Barack Obama its temperature has reached an all-time high. The battleground is spiritual, political, and even physical-and the grand finale is coming soon to a street corner near you. As history bears out, God does not use bigger church buildings, cool songs with lights and big drums, or elaborate productions to deliver nations from the jaws of tyranny. What will the inevitable clash between Islam and Communism vs. America and the Jewish State of Israel look like? When will it occur? What is the beast system of the Bible, and who is the son of perdition? Who is it in Scripture that carried the Antichrist messages of social justice and redistribution of wealth? Who will promote these same messages in the last days, and how will they be used against America? America s toughest days are just ahead, but so is our crowning moment in history. You have come to the Kingdom for such a time as this....
