Reviews

It is a single of the most popular ebook. Better than ever, though I am quite late in starting to read this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Danny Madman Maddox isn't supposed to make Skylar Haze's heart beat out of rhythm. At least not anymore. She hasn't seen that boyish face, always covered in a five o'clock shadow, dimpled smile and teasing hazel eyes since the day he left to go on tour with her brother Joey's band. Now with a major record label backing them the band is in need of a bit of help, and when Joey asks Skylar to be the band's photographer, she can't help but say yes. Of course, Joey doesn't know about that forbidden kiss. The one Skylar hopes Danny's forgotten. But can she? One smile and she finds herself slipping again. But he's the drummer, and he's beaten her heart before. And she won't let it happen again. Fans of Kasie West, Cookie O Gorman and Monica Murphy will fall in love with this coming of age romance series that tackles love, friendship and moving on from painful pasts. Each novel stands alone with characters you're sure to love.
