Wipf Stock Publishers, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: Here is a definitive introduction to liberation theology through the life and work of its most significant proponent, Gustavo Gutierrez. Robert McAfee Brown draws extensively on Gutierrez s own writings (some never published in English) and on personal conversations with him. Brown clearly and compellingly presents the basics of liberation theology and the differences between North American and Latin American theologies. The form of Gustavo Gutierrez is that of a drama. Brown s initial program notes introduce and situate the author, the actors, the critics. He sets the stage with a history of church and state in Latin America and introduces its definitive figures, themes, and milestones. A collective biography of Gutierrez s spiritual predecessors is followed by a biography of Gutierrez himself, which takes critical account of his works. Then we are ready, dramatically and theologically, to move to the first act: that of commitment to the poor. The second act, in two scenes, explores first liberation theology s method of critical reflection on praxis and also its content: nothing less than the Word of God. Brown delves next into the controversies and criticisms Gutierrez faces, especially the challenges from authorities in Rome. Finally, in act three, readers discover that in this particular drama, they too are on stage and must take part by reflecting on what this drama really means for them. Endorsements: Robert McAfee Brown has done an extraordinary job. . . . I have been connected with Latin America for more than four decades and have been at least peripherally associated with these theological developments, yet I have learned a great deal from reading this book. For those who are not well acquainted with Gustavo Gutierrez...
