Brand New Book ***** Print on Demand *****.Excerpt from Notes of a Course of Nine Lectures on Light: Delivered at the Royal Institution of Great Britain, April 8 June 3, 1869 These Notes were prepared for the use of those who attended my Lectures on Light last year, and were not intended for further publication. Enquiries and requests regarding them from teachers and students who have read them, cause me now to think that the Notes may be useful beyond their contemplated limits. The Messrs. Longman have therefore undertaken their publication in a very cheap form. To my friend Professor Goodeve, who has been kind enough to look over the proofs, my best thanks are due and tendered.
