Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Some days you shouldn't get out of bed. There are adventures which are marked by peril and there are those marked by strangeness. Take this crazy road trip upon which you'll encounter mystical beasts, mutant armies, culinary-sensitive sea creatures, homosexual dragon men and a protagonist with complete disdain for Dolly Parton. It is the fantasy film David Lynch might have made if he were drunk enough, it is the book William Burroughs might have written if he'd had the balls. From the author of Alien Smut Peddlers from the Future and Necropolis Tryst comes a tale so indefinable that it might just be a work of a genre unto itself.
