Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Abandoned by his family . trapped in a house of shadows . destined for more than 7th grade math. Arthur Paladin doesn't fit in. Not at home with the ultra-strict grandmother who had to raise him after his mother died and his dad disappeared. And not at school where the teachers think he's trouble and the other kids think he's a freak. But every night he dreams about learning amazing things, the sort of things you need to know to save the world. Then Arthur finds out his grandmother may send him to military school, which leads to a fight with his perfect cousin, which leads to the mysterious plane over his heart getting broken, which leads to . his whole world turning upside down. Shadow creatures appear out of nowhere to kill him. An angelic being from another dimension begs for his help. He gets locked in a house that looks like an English cottage on the outside but is actually a mansion on the inside. It's packed with shades, flying across the universe, and he's only got Morgan Apple to help him - Morgan Apple who apparently sits beside him every day just to call him a moron. And that's when life gets really weird. That's when Arthur finds out he's the next Multiversal Paladin. Fans of Doctor Who and Harry Potter will be enchanted by this universe-spanning, high-octane, whimsical, science-fantasy adventure.
