Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Border Essays The Vale of Manor from the point where the stream rises, some 2000 feet above sea-level, on the brow of Shielhope Head, in the heart of the Southern hills, to where it joins the Tweed, runs in the line of the old ice-flow from south-west to north-east, and is not more at its utmost than ten miles in length. Yet this vale in its short compass shows the varied elements of grandeur and beauty in a very rare degree. It impresses and subdues by mountain and crag; it touches eye and heart with a symmetry of opposing yet alternating and harmonious lines of hills, and a winsome grace peculiarly its own. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
