

## The American Political Science Review, Vol. 14 (Classic Reprint) (Hardback)

By Westel Woodbury Willoughby

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The American Political Science Review, Vol. 14 At present representative government is the dominant type of polity. It has spread not only through the western world but also it has been extensively adopted in the East, whose peoples are still taking it up with an enthusiasm that creates some troublesome administrative problems for imperial authority. Today, representative government is probably the most widely diffused political form the world has ever known. If it can be made effective in distributing justice and maintaining order civilization will at last become general throughout the world, instead of subsisting only in particular areas as heretofore. The prospect is so attractive that one is apt to overlook the fact that the ascendancy of representative government is too recent to warrant entire confidence in its permanence. It is a product of the nineteenth century, prior to which representative government was peculiar to England and its offshoots. Probably English success in the Napoleonic wars was the master influence in quelling the old antipathy to legislative assemblies and starting the tide of sentiment in favor...

### Reviews

*This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).*

-- **Jaqueline Kerluke**

*I just started looking at this pdf. It can be really fascinating through studying period of time. It's been printed in an extremely basic way and is particularly only following I finished reading through this publication where in fact altered me, change the way I really believe.*

-- **Mr. Stephan McKenzie**
