Associacao Cultural Videobrasil, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Caderno Sesc Videobrasil 12 - METAFLUXUS focuses on the thought of Czech-Brazilian philosopher VilEm Flusser. Constructed based on his way of understanding and delimiting contemporary cultural territories, this publication creates an experimental space in which different lines of thought and expression cross each other to project a hypertextual and imagetic metaflux that discusses contemporary themes from a Flusserian perspective. The concept of metaflux was born in Berlin, during a period of research at the VilEm Flusser Archiv, installed at the UniversitAt der KUnste (UdK). Between 2010 and 2015, as a research fellow in the archive, I coorganized a study group that I called the Flusserian Philosophical Fridays. The group met every couple of weeks to read Flusser, according to the author s intention, who wrote his texts to be read and discussed in a group during the various courses he taught throughout Brazil and Europe. From Flusser s work, four texts have been selected that represent different moments and facets of the development of his thought; together, they make up an arc that encompasses all the main lines of his work. On Doubt (1965) is the result of the author s first phase of production and has two versions; besides the one that is part of this edition, there is another, extended one, that would only appear as a book in 1999. On Doubt is the last text of the period in which Flusser focused mainly on the philosophy of language; it represents the beginning of the development of his philosophical project. Our Images (1979) was written when he had already emigrated back to Europe and marked the beginning of his mature phase; its focus is the theory of communication. It is...
