Practical Perforce (Paperback)

By Laura Wingerd

O'Reilly Media, Inc, USA, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. When developers build software, they're able to keep track of all the different versions and all the components they use with Software Configuration Management (SCM) systems. One of the more popular SCM products is Perforce. Authored by Perforce's own VP of product technology, Practical Perforce is the ideal complement to the existing product manual, focusing less on the how and more on the why and when. The book is not only a helpful introduction to Perforce, it's an enlightening resource for those already familiar with this versatile SCM product. Whether you're a programmer, product manager, or build engineer, you stand to benefit from the many insider tips and ideas presented in this convenient guide. Practical Perforce is divided into two main parts. Part I offers a whirlwind technical tour, complete with careful descriptions of basic and advanced Perforce commands designed to give you a baseline knowledge. Part II describes the big picture—using Perforce in a collaborative software development. It outlines recommended best practices and quickly shows how to implement them with the Perforce operations introduced in Part I. Throughout...
