Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.An unsuspecting drug dealer becomes involved in a political nightmare in Michael C. Thompson s thrilling debut novel, United States vs. Mitch Rolls. As the heir to his father s successful real estate investment and management company, Mitch Rolls is expected to follow a very specific career path. But while finishing school, Mitch discovers that dealing marijuana among the upper echelons of society-including his attorney, stock brokers, and wealthy classmates-is a rather profitable business in and of itself. Over the years, Mitch builds up an impressive clientele but is plagued by unusual tragedies that seem to follow him wherever he goes. A result of actions taken by the government, politicians, and big businesses, these unfortunate incidents eventually color Mitch s world view-and lead him and two of his friends, Gladstone Burke and DJ Downey, toward a confrontation that will result in an explosive showdown during the 2012 Ohio primary election. Little does Mitch know that his, Gladstone s, and DJ Downey s actions will spark an investigation and prosecution for murder and political corruption that will rock the political world.
