*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Derek just found out that the natural disasters he's seen tearing up the world are not just random earthquakes and monsoons. They are the result of a dragon, hellbent on destroying the world as it lusts for the one thing it wants the most; the illuminating book that Derek just picked up in a parking lot off of a talking cat. Failing high school is the least of Derek's problems now, for the book has chosen him as its champion, destined to face the bloodthirsty dragon in a duel for the fate of the world. DEREK AGONS SLAYS A DRAGON is Young Adult Fantasy novel about the absurd journey of a high school junior who gets crossed and double crossed as he traverses modern day America in search of the beast. All of that, of course, plus the evil dragon Derek must slay to keep the world from ending. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
