Temple University Press,U.S. Paperback. Book Condition: new. BRAND NEW, Drumming for the Gods: The Life and Times of Felipe Garcia Villamil, Santero, Palero and Abakua, Maria Teresa Velez, "I am Felipe Garcia Villamil" begins "Drumming for the Gods", the life history of the Afro-Cuban artist whose music has survived both political and personal upheaval. "Balogun for thirty years. Oluana, of Matanzas, Cuba, for about forty years. Omoana for almost forty-five years. Olulyesa [he who knows the secrets of the Iyesa drums]." A practitioner of sacred drumming for almost his entire life, Felipe practiced his trade in Cuba both before and after the Revolution and brought it with him to New York, where he continues to play for the gods. This book focuses on three periods of Felipe's life, each marked by changes in his personal life and by important historical events. The first period covers his formative years during which he received his initial training. Through Felipe's story, we explore the legacy of slavery in Cuba, the nature of Afro-Cuban religions and their musical traditions, and the history of bata drums. The second period covers the critical years of the Cuban Revolution. Here we see the effect of social turmoil both on music and religious practice (santero, palero, and abakua). The third period covers Felipe's life in New York as a refugee/immigrant, and the role of music in rebuilding his identity. Felipe's story illuminates his cultural practices and beliefs as well as the ways in which an individual musician selects and modifies the elements of his cultural heritage to create a voice that is personal and unique. Felipe not only lives through history but also makes history, shaping an identity that cannot be described as "Cuban immigrant," "Afro-Cuban," religious drummer," or "santeria initiate," but is composed of all of them....
